

A MAN who had never bought ready-made clothes in his life needed a suit in a hurry for a trip to San Francisco.

He came in and literally defied us to show him a suit he would wear.

We sold him two Stein-Bloch Suits in twelve minutes. But instead of apologizing he accused us of being tailors in disguise.

## AN INTERVIEW WITH DR. JONES

William Durban recently contributed to the Christian Age, London, an interview with Rev. Dr. Jones, the Korean missionary at present temporarily in charge of the Methodist Episcopal church in Honolulu. It begins thus:

"Dr. Heber Jones is a most interesting personality. He is in the early prime of his life and vigor, and told me that he was eagerly anticipating his return to his wonderfully hopeful field of endeavor."

The interview contains much the same information about Korea and missionary work and its results there as Dr. Jones gave in an address here lately which the Advertiser reported. Dr. Jones was shown the article reprinted in an Eastern paper yesterday. He remembered meeting Mr. Durban in New York and said he had reported him with great accuracy.

## Tests Patience

The Most Patient Honolulu Citizen Must Show Annoyance at Times.

Nothing spoils a good disposition. Nothing taxes a man's patience. Like any itchiness of the skin. Itching Piles almost drive you crazy. All day it makes you miserable. All night it keeps you awake. Itch! Itch! Itch! With no relief. Just the same with Eczema. Can hardly keep from scratching it. You would do so but you know it makes it worse.

Such miseries are daily decreasing. People are learning they can be cured. Learning the merit of Doan's Ointment.

Plenty of proof that Doan's Ointment will cure Piles, Eczema or any itchiness of the skin.

Frank Leiby of 326 S. Main st., Wilkesbarre, Pa., U. S., says: "It is with much pleasure that I testify to the merits of Doan's Ointment in cases of itching piles. I suffered from that tormenting affliction for the past year. I tried nearly everything that was recommended to me and what I saw advertised, but I could get no relief. Finally I procured Doan's Ointment. After a few applications I was much relieved and, continuing the treatment, I was soon completely cured. I have felt no signs of that intolerable itching since, and it is four months ago since I used Doan's Ointment. To say that I was delighted is only half expressing my enthusiasm. I recommend this remedy whenever the opportunity is presented. You may publish my statement at any time and I can always be found at 326 S. Main street, and will vouch for the same."

Doan's Ointment for sale by all dealers; price 50 cents. Mailed by The Hollister Drug Co., agents for the Hawaiian Islands. Remember the name DOAN'S, and take no substitute.

## RODE IN LONG PA-US

The Kaonohiokala Club Celebrated Labor's Festival.

The Kaonohiokala Pa-u Riders Club celebrated Labor Day by an elaborate parade and luau.

The riders met at the residence of Mrs. Lizzie K. Puahi in Kapiolani Park at 1 p. m. and an hour later started toward Kapiolani Park in an imposing procession.

The fair equestriennes were attired in pa-us of royal purple and white waists.

The lady riders included:

Mrs. Lizzie K. Puahi, founder of the club; Mrs. Nakapaahi, Mrs. Maluae, Mrs. Johnson, Mrs. Hilo Keama, Miss Lily Maikai, Mrs. Manu, Mrs. Van Geisen, Mrs. Inala, Mrs. Kaai, Mrs. Kaleo, Mrs. Mahi, Mrs. Nahike, Mrs. Katie Stahl, Mrs. Hikimalama, Mrs. Lizzie Paniani, Miss Hattie Thompson.

The escort consisted of the following gentlemen:

Kawohionalani, Joe Fern, Abbie Paniani, Pihini and Kaimimoku.

After an exhibition of pa-u riding had been given in the park and photos taken, the cavalcade proceeded to Queen Liliuokalani's Waikiki residence where a salute was tendered that august lady who acknowledged it in a few gracious words.

A visit to town via Waikiki road and King street was next in order. After the principal streets had been paraded a return was made to Mrs. Puahi's home where in the evening, an enjoyable luau was served and appreciated by a large number of people.

Hula dancing was a feature of the entertainment and Hattie Thompson, Minnie Hinal and Emily Sam Ako delighted everybody by their expertness in the genuine old Hawaiian dance.

The Kaonohiokala is the original and most successful society of pa-u riders in Honolulu. It possesses a large and influential membership and beside the riding feature supports a flourishing benefit fund.

MRS. KALEO HAS A NASTY TUMBLE.

Mrs. Kaleo, a pa-u rider, met with a painful accident yesterday.

While at Mrs. L. K. Puahi's residence in Kapiolani Park she started to try a horse which she intended to ride in the parade.

The flowing pa-u frightened the horse which reared and unseated Mrs. Kaleo who fell heavily to the ground.

She was picked up insensible and attended by the army doctor at Camp McKinley who pronounced her suffering from a nasty scalp wound.

Last night the injured lady was progressing favorably and no serious results are apprehended.

## WOMAN'S BOARD OF MISSIONS TODAY

The Woman's Board of Missions will meet in Central Union church this afternoon at 2:30 o'clock.

The new study of Africa, following the outline of Christus Liberator, will be introduced by Mrs. Withington—"The Dark Continent."

The first report will be given by the Board's very new and welcome auxiliary, the Kin Kok Kong Ton Pui.

A number of visiting missionaries will be with us, and it is hoped that for at least a portion of the hour we may have the presence of our pastor, Rev. J. Walter Sylvester, who sails on the Siberia in the afternoon.

Strangers in the city as well as resident friends are always welcome to the meetings of the Board.

A special invitation is extended to the Missionary Gleaners.

M. L. SHEELEY,  
Recording Secretary.

## 'SHIP AHOY' DOING WELL

The time is drawing near for the presentation of the Myrtle Boat Club's opera "Ship Ahoy," and the whole performance is rounding into that finished form that is so good to see when the show nights are drawing near. Principals are all well up in their work, and the chorus, upon whom depends a great measure of the looked-for success of the production, are working most earnestly, and their labors are bringing forth artistic ensemble numbers, as well as many pretty tuneful choruses.

The music is under the personal direction of Mr. R. R. Bode, and this is saying volumes. Mr. Bode lives with his music, and his careful and precise training of the principals and chorus in all their musical numbers has achieved great results.

Tonight the entire company will hold a rehearsal in the Hawaiian Opera House, and it is to be an important rehearsal. Every member who is to take part in the performances of "Ship Ahoy" is requested to be present, as all final arrangements, necessary for all to know, are to be made this evening. A full attendance is greatly desired.
